We have a great line up for you with our usual mix of old features and new events. Don't miss our History of Mystery session with Will Houston who presented this lecture at the Magic Circle Headquarters. FISM Winner Marc Oberon will be sure to have something you will enjoy and Jay Scott Berry will bring you some classic magic. We plan another great Gala show which will be promoted by the Spa Theatre and should see a good number of public tickets sold. This is also true for the Children's Show produced by Clive and Jeani will be staged in the Spa Theatre on Saturday afternoon.

If you have any questions please don't hesitate to call me or Email: allan.clarke@northernmagiccircle.org.uk
